Who We Are:

Cornerstone Christian Academy is a 501c3 non-profit organization. We rely completely on donations and tuition for operation. As our school continues to grow, so does our infrastructure. Our annual fundraising auction goes a long way toward meeting those needs. All of your tax deductible donations are appreciated.

Cornerstone is designed to be an educational institution with an emphasis on historic, biblical, Christian faith. As a Christian school, we are committed to the following:

- All existence is a product of purposeful, intelligent design by our Creator, God, and by Him all things exist.
- An individuals relationship with Jesus Christ will always preceded success or failure in life.
- The primary means of knowing this one, true God is found in the pages of the Holy Scriptures, and therefore, holds final authority in issues regarding life and godliness.
- All truth is God's truth. To know God is to know truth.

Based on these principles, CCA recognizes that God has ordained that the parent be the primary educator of the child. Therefore the school will act in partnership with the parent in the educational process. This is the foundation for successful education, fine arts, and athletics while instilling a biblical worldview.
